3 Write two describing words of your own

c. We sat on a _____ mat.

4 Underline every describing word

There are eight. Read the story out loud first, then hunt for them.

Riya at the Park

Riya went to the big park with her mother. She saw a tall tree and six green birds. The birds sang a loud song. A small dog ran up to her. Riya gave it a soft bun. The bun was sweet.

Parent tip: box 4 has one describing word that hides after the word *was*, not before a naming word. If your child misses it, read that last line aloud together and ask what the bun was like.
